## TOWN WARRANT

To the Inhabitants of the Town of Litchfield in the county of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Litchfield on Tuesday, the 12th day of March, next at Ten of the clock in the forenoon, and until 7 P. M., of the same evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

You are hereby notified to meet at the Fire Station in said Litchfield on Wednesday evening at 7 of the clock to act upon the following subjects:

2. To see if the Town will authorize the Selectmen to borrow money in anticipation of Taxes.

3. To see if the Town will authorize the Selectmen to sell the 1938 International Fire Truck by advertizing for bids, proceeds to be used to defray the principal and interest of the newly purchased fire truck.

4. To see if the Town will vote in favor of the following resolution: Resolved: That all capital expenditures exceeding the sum of \$500.00 shall be submitted to competitive bidding by publishing bid notice in two or more newspapers of general circulation and be it further resolved that splitting the capital expenditures for the purpose of circumventing this resolution will not be allowed. This resolution to take effect upon its passage.

5. To see if the Town will establish a Town Conservation Commission as set forth in R.S.A. 36—A.

6. To see if the Town will vote to raise and appropriate the sum of \$2000.00 for additions and alterations to the Arron Cutler Library.

7. To see if the Town will vote to establish a Town Recreation commission to be appointed by the Selectmen as set forth in R.S.A. 31:44—50.

8. To see if the Town will raise and appropriate \$200.00 for updating census. Census to be conducted in conjunction with the police department and members of checklist supervisors to determine whether or not there should be a revision and verification of the checklist of the Town to be used at all elections.

9. To see if the Town will authorize the Selectmen to negotiate with Public Service Co., of N. H. for installation of street lighting.

10. To see if the Town will vote to raise and appropriate the sum of \$7400.00 for the purchase of a Town Truck for the Highway Dept.

11. To see if the Town will raise the Selectmen's Clerical assistants pay to \$1664.00.

12. To see if the Town will vote to authorize the disposition of municipal records in accordance with provisions of Chapter 33-A, 1967 N.H. 105. Authority for such disposition once given shall be deemed to be continuing.

13. To see if the Town will vote to give authority to regulate the requirements for new streets, with the regulatory authority being given to the Selectmen.

14. To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove, in its discretion, plats showing new streets or the widening thereof, or parks, within the regulations of the Town, and upon adoption of this article it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Hillsborough, a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Sections 19, Chapter 36 of the New Hampshire Revised Statutes Anno. 1955.

15. To see if the Town will vote to raise and appropriate the sum of \$545.00 to purchase a sand spreader for the highway Dept.

## SELECTMEN'S REPORT

The year of 1967 has been a busy one for your Board of Selectmen. The Board has met one hundred and thirty-one times. This doesn't include inspections of projects being conducted through the year.

The town lines were perambulated with adjoining towns this year. This, a requirement by the State to be conducted every seventh year. Help was enlisted from town residents to find some of the bounding stones. Some bounding stones were found broken and will need replacing this year.

Up dating the census has proven to be very helpful to this office. It assists in completing the Head and Poll tax listings, location and number of residents in the town. A complete listing has been given to the Tax Collector, Fire Department, each Police Officer and Selectmen.

The road building program has proceeded on schedule. A few drive-ways have got to be graded into the last section just completed. Woodland Drive, off Corning Road, is now an accepted street.

The Town Report is the only direct communication the Board has with all residents of the town. With this in mind, we have strived to give you a complete and accurate account of how your tax money is spent. We hope you find it informative.

Any office, board, or committee that has used the tax dollars, has been requested to submit a report of where its appropriation has been spent, its activities for the year, decisions, and what it wants to recommend for the good of the Town of Litchfield.

We urge each veteran to file for the veterans exemption. Each veteran, regardless of equity in property, is entitled to this exemption. This was a bill passed by the 1967 legislature. The forms can be picked up at the Selectmen's Office. It is the responsibility of each veteran to pick-up his own forms.

Respectfully submitted  
OVILA JACKSON,  
Chairman  
Board of Selectmen

## ORDINANCE 1967

An ordinance regulating the Town Dump of Litchfield, New Hampshire.

Be it ordained by the Board of Selectmen for the Town of Litchfield, New Hampshire.

### Section I Dump Site.

- (a) The only dump permissible for use in the Town is the one on Hillcrest Road.

### Section II Use of the Dump.

- (a) The Town Dump is for the use of residents of the Town of Litchfield exclusively and can be used only during listed hours.
- (b) Dump picking is prohibited except by a permit from the Board of Selectmen.
- (c) Automobile bodies are prohibited.
- (d) Brush is prohibited.
- (e) No shooting.

### Section III Transportation to Dump.

- (a) All trash and rubbish transported to the Dump must be in closed containers, enclosed within vehicle, or covered securely.

### Section IV Penalty.

- (a) Any person violating any provision of Sections I, II, III of the ordinance should be punished by a fine of \$50.00 for the first offense and \$10.00 for each subsequent offense.
- (b) Any person violating Section III of the ordinance and dropping rubbish etc. along roadways and streets will be subject to New Hampshire's Revised Statutes Annotated - a \$100.00 fine for placing rubbish on the highways.

This Ordinance shall take effect upon it's passage filed April 25, 1967.

Board of Selectmen:

OVILA JACKSON  
EUGENE PELKEY  
WILLIAM McANENEY

## DOGS

New State Laws pertaining to Rabies Control and dogs as nuisance was effected July 1, 1967. Every dog owner should be familiar with the legislation.

### Chapter 442-A Rabies Control Act

442-A:2 Rabies Vaccination Required. Every dog three months of age and older shall be vaccinated against rabies. Young dogs shall be vaccinated within thirty days after they have reached three months of age. Unvaccinated dogs acquired or moved into the state must be vaccinated within thirty days after purchase or arrival, unless under three months of age as specified above. Every dog shall be revaccinated at not more than twelve month intervals with killed vaccine or thirty-six months chick embryo, LEP Flury Vaccine. In rabies infected areas, dogs recently vaccinated should be kept under control for at least thirty days before being allowed to run free.

442-A:4 Cost. The cost of rabies vaccination shall be paid by the owner of the dog.

442-A:10 Penalties. Any person who violates any of the provisions of this chapter shall be fined not less than five nor more than twenty dollars.

188:2 Vaccination Prerequisite to Licensing. Amend RSA 466 by inserting after section 1 (supp) as amended by 1957, 217:1 the following new section: 466:1a Vaccination Required. Before a license is issued under the provisions of this subdivision, except under the provision of section 6, the owner or keeper of a dog shall furnish to the clerk a certification that said dog has been vaccinated against rabies in accordance with the provisions of RSA 442-A.

## Chapter 294 Nuisance Dogs

A dog must be declared a nuisance before a restraining order can be made upon the owner.

The law as stated says a nuisance dog is:

- (1) Continuous barking while confined to owners property.
- (2) Tipping over garbage cans.
- (3) Barks or runs after autos.
- (4) Barks, snaps, or chases persons, including bicyclists.
- (5) Runs in packs after people or animals.
- (6) Up roots or destroys plants or shrubs.
- (7) Unconfined while in heat.

This law amends Revised Statutes Annotated 466:31 pertaining to dog control. It requires the police or Selectman to investigate a complaint within three days. If the complaint is sustained, an order to restrain must be issued.

While the owner has ten days to appeal, violation is punishable by \$25 fine and pickup of dog.

### AUDITORS' REPORT

For the year 1967

The auditors examined the Town books and accounts and found them to be in balance. All revenues have been accounted for and deposited, and all authorized expenditures supported with invoices and payrolls. The Tax Collector and Town Clerk made monthly remittances to the Treasurer as required by law.

The tax warrants were verified and the uncollected taxes and unredeemed taxes from tax sales were verified by auditors notices.

An examination of the Treasurer's accounts revealed that one check was issued on the Selectmens' order without the authorized signature of the Treasurer.

## BOARD OF TRUSTEES REPORT

To the Citizens of Litchfield,

The activities of the Trustees of Trust Funds have been few during the year 1967.

We did wish to tell you about the sale of 52 shares of American Locomotive Co. stock, which we held owned by the old Alco Company.

The assets of this company were purchased by Citadel Industries, of New York City, as we were not properly advised Tender offer of this stock was not known until expiration of date they therefore did not buy this stock.

However through the efforts of Mr. Thomas Bartlett, Treasurer of the Manchester Savings Bank, and the firm of Putnam, Coffin and Burr we were able to sell the stock for the same price as offered by Citadel Industries \$1,363.65 as shown in Cutler Library Fund book dated February 7, 1966.

July 3, 1967 the Fire Truck Fund was cancelled out in the amount of \$2,824.85 this was applied towards the new Fire Truck.

December 29, 1967 the Auto Car Fire Truck was cancelled out, proceeds paid for the repair of this truck.

The following were added to the Cemetery Funds for 1966-1967:

Wm. & Gladys Locke  
Benjamin & Philomene Sourielle  
Daniel & William McQuesten  
Herbert C. Leach.

## POLICE DEPARTMENT REPORT 1967

By the itemized report you can see that 1967 was a busy year. There were more court cases tried and in several contested cases, we used the services of the Town Solicitor to prosecute. We are indeed fortunate in having Attorney Lesieur to represent Litchfield.

Several serious accidents occurred, one that involved a motor cycle and a car. Two persons were seriously injured. Fortunately several Boy Scout leaders were nearby and gave valuable first aid.

The Nashua Police Department continues to give able ambulance service to Litchfield. If a call is made for ambulance service, especially an emergency, be sure to give the exact location and the shortest route to follow. With the increased growth of Litchfield and new streets, directions must be clear to save time and perhaps a life.

Through the Town and Police Association, we have purchased removable Police stencils for the vehicles used in police work. These have proved worthwhile and add to the department's appearance.

I have spent some time this year in cooperation with the School Board in the safety of children waiting for the bus, and several times have talked at school on Safety and the "Friendly Stranger". I also made many house calls and received splendid cooperation from the parents.

Again this year, we went through Halloween with no complaints or accidents. Our sincere thanks to the boys and girls.

Several times, especially at the South end of Town, the Hudson Police have assisted with accidents until one of our officers have arrived. We receive splendid cooperation from all surrounding departments.

We have done quite a few house checks when people are away. A call to the department when you are leaving, will enable us to keep a check on your property.

This past year has seen a big increase in house breaks, fortunately we have had very few. If you are away, have a neighbor or friend make the house look "lived in", it helps.

DAVID CAMPBELL  
Chief of Police

## FIRE DEPARTMENT REPORT

I wish to thank all Litchfield residents for their cooperation in preventing fires this past year. We were fortunate to have only one small damage done to a piece of property. Therefore it shows that fire prevention is the answer to saving our property. I would appreciate for each and every one of you to check heating systems, electrical wiring, fuses, and any combustable materials that could cause fires.

The members of the department and I would also like to thank all Litchfield citizens for helping us to purchase our new fire truck, which we received the first of July. We have only used it once for a fire and it was sure a pleasure using a piece of equipment that will do the job satisfactorily.

**REPORT OF FOREST FIRE WARDEN  
AND DISTRICT CHIEF**

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. — 5:00 P.M. and then only with permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material — use the ashtray.

## LIBRARIAN'S REPORT

Open hours at the Library at present are Wednesdays, 3:30 P.M. to 5:30 P.M.; Saturdays, 7:00 P.M. to 9:00 P.M. During the year 1968 it is hoped that the hours may be increased.

Telephone 424-5011, listed under Merrimack, Aaron Culter Memorial Library or call the Librarian 882-4033.

Under the Statewide Development Program another \$100 gift of reference books was received in 1967.

The State Bookmobile comes from the Branch Library at Exeter with books to supplement the Library services. If material is needed that our Library lacks, the Librarian will borrow from the State Library or other sources.

It is encouraging that new families are making use of their Library privileges. We hope more will come.

Your Librarian has attended several Library Meetings during the year.

Books as memorial gifts have been received for Mrs. Gertrude Wilson, Mrs. Cora B. Colby and James T. Colby III.

Donors of magazines; Dorothy Laughlin, Bertha Campbell, Alice Dickinson, Carolyn Leary, Florence Center: books; Faculty of Hugh W. Gregg School, Corning, N.Y., Elaine Smith, Mr. and Mrs. Harold Hopwood, Elizabeth Hodgdon, Dr. and Mrs. Lewis C. Goffe.

Periodicals: Abridged Reader's Guide, Granite State Architect, Look, Life, National Geographic, New Hampshire, Parents, Time.

For the coming year there is to be a Book-return box outside the door for the convenience of borrowers. New shelving and other equipment are planned. Watch for notices of a Book Sale when warm weather arrives.

Respectfully submitted,

FLORENCE C. CENTER  
Librarian

## **PINECREST CEMETERY, INC.**

How we spent the \$200.00 given to us by the town in 1967:

Stationery and sup.	\$ 12.51
Lawyer to set up Corporation	
By-Laws, Income Tax Forms,	
Advice, etc.	25.00
Mowing - 3 times over complete	58.00
General work, rake, weed, clip, etc.	20.00
Weed killer	3.75
Service on Mower	11.52
(5yrs. old and in sad condition!)	<hr/>
Total	\$130.78

This leaves \$69.22 unspent but we are trying to save for a riding lawnmower or work on fence, or work on PINECREST sign or straightening stones, etc. We couldn't begin on this small amount so instead of spending it to the last penny, we are trying to scrimp and save for a few years to get something ahead. Unless the town wants to give us one great big allotment so we can get these things now(???)

J. ILLG, Secretary  
OLIVE CAMPBELL, Treasurer

## **HILLCREST CEMETERY ASSOCIATION**

Hillcrest Cemetery looked very nice this year, lots were mowed and keep clean.

We graveled the 1230 feet of roadways in the cemetery.

The Veteran Committee placed flags on all the veterans graves, (very nice).

This year of 1968 we would like to repair all the fences around the cemetery with new post wire and paint where it is needed.

GEORGE L. ADAMS,  
President

## ROAD AGENTS REPORT

The remaining portion of Page Road was rebuilt this past year. There were three bidders for this job, Richard Moore of Londonderry was low bidder. This portion was widened, leveled out with catch basins and culverts installed. The mixing of pavement was done by the State of New Hampshire equipment, and supervision. As with most small towns it is necessary to depend on the State for this service.

Louise Drive was regraded, drainage was improved and the State also mixed this pavement. Portions on both ends of Pinecrest Road were widened and some gravel put in.

Cutler Road which is being used more each year still has almost 7/8 of a mile which needs to be graveled and some culverts installed to make it an all year passable road. Also Pinecrest Road, still needs a great deal of work.

This past year we have had a lot of damage to signs which have been installed. Either they have been removed, defaced, or maliciously damaged so that replacing them has been necessary. These signs were put up for the convenience and safety.

The snow plow which was voted for, at last town meeting, was purchased from, R.C. Hazelton Inc. of Manchester. Except for mechanical difficulties with the hoist the first snow storm, has proven satisfactory.

Something for the town to consider is the possibility of a storage shed for bulk salt. The price of salt went up this last year and is expected to again this year. The price of bulk salt is about half of bagged salt. As yet nothing has been found which will replace the use of salt. It might be well to consider in the future a town owned truck with an efficient spreading body for salt and sand.

We are the only town in this area which does not require developers to surface new roads put in. It would relieve the town of this cost, also of drainage problems after houses are built, consideration of this is very important to the taxpayers.

ARNOLD C. CAMPBELL

## REPORT OF THE SCHOOL BOARD

The School Board would like to take this opportunity to express its appreciation and thanks to the many citizens of our community for their efforts and contributions in making the success that we are presently enjoying. We are extremely grateful to the PTA for undertaking the project of putting curtains in the large room of our building.

As all of you are aware, the many new, and sometimes confusing methods and techniques used by our instructional staff (under Mr. Perkins our Principal) are producing excellent results. We don't pretend to fully understand, as a Board, all the latest developments in the Educational Field but one can be assured that the best efforts are being made in this area to keep our high standards consistent with today's accelerated pace and rapidly expanding technology.

The cost of education is one of major expense to our community, and we sincerely believe that in reviewing our proposed budget for the next fiscal year you will appreciate the many items of improvement for both our scholastic and recreational facilities, that the Board feels is obtainable and at the same time be assured that we are getting the best in education for your tax dollar. Unfortunately, nothing seems to decrease in cost, but the value of a good education and educational environment for the younger generation of Litchfield must be upper most in our minds as we consider the various future needs of our students.

Our custodian, Mr. Jay Hale, is to be commended for his outstanding performance in the face of many obstacles and increased work with the advent of our new addition. Mrs. Doris Gagnon, our Hot Lunch Director, and her assistant, Mrs. Betty Conaty, are also to be commended for an outstanding job in the cafeteria program.

In closing, we would like to take this opportunity to extend our sincere thanks to our Instructional Staff, under the capable leadership of Mr. Perkins, for the outstanding job they are doing with the children of Litchfield and to wish them continued success. Last, but not least, our appreciation is extended to our citizens for their help, understanding, and assistance; we hope this will continue in the future.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Litchfield:

On September 6, 1967, we occupied our new building addition and since then our teachers and pupils have utilized the area for expanded and new instructional purposes. Our large group instruction room enables several classes to watch an assembly or participate in an educational television program. The citizens of Litchfield should take pride in this colorful and functional addition to their total educational investment.

Our September enrollment of 228 reflects nearly a 30 — 1 pupil, teacher ratio for our eight grades. No less than six of the eight grades have more than 30 or more pupils at the present time. It is only a matter of time before additional teachers will be required to handle multi grades. In the meantime the assistance of teacher aides will be used.

Litchfield is indeed fortunate to have retained the services of all but one of its teachers from last year. Mrs. Isabelle Kramer, B. Ed. Keene State College replaced Miss Kathleen Sullivan in second grade. Our teaching staff is highly competent and every effort should be made to maintain these services.

In conclusion I extend my appreciation to the school board, the instructional staff and to others whose efforts and concern have paved the way for a year of progress in the educational climate of Litchfield.

Respectfully submitted,

CLAUDE H. LEAVITT

Superintendent of Schools

## REPORT OF THE ASSISTANT SUPERINTENDENT

Mr. Claude H. Leavitt  
Superintendent of Schools  
Litchfield, N. H.

Dear Mr. Leavitt:

The following paragraphs constitute my report as Assistant Superintendent in the School District of Litchfield, New Hampshire.

The current school year has been highlighted by the substantial addition to the school facilities. This addition has made expansion of the school program a reality. Ample classroom space has become available coupled with a reasonably good pupil-teacher ratio.

That portion of the new addition that has been converted to a large instructional area has opened a whole new variety of instructional opportunities to the children of Litchfield. With the space provided in this room a series of excellent educational programs have been presented that have enriched the educational experience of the children involved.

One such series is being presented through Title III of National Elementary and Secondary Education Act of 1965. The Center for Arts Exposure funded through the afore-mentioned act and administered through the Manchester Institute of Arts and Sciences provides professional practitioners in the visual and performing arts to present performances designed to expose children to the aesthetic qualities in programs of this type. They will present approximately 15 programs to the children in grades 1—6 at no cost to the school district.

The special reading program under the auspices of Title I of ESEA 89:10 is now in its second year of operation. This program caters to children in grades 2—8 with emphasis on problems of a remedial nature. Those youngsters having problems in the area of reading meet with the reading teacher in small groups of six to ten youngsters four times per week to receive instruction in those skills where they are experiencing the most difficulty.

Special instruction on a limited scale is also made available in the area of enrichment for youngsters whose ability so warrants. It is hoped that through the special services provided by this program that each child will have the opportunity to realize his potential in the vital area of reading instruction.

Title II of ESEA 89:10 provides for the purchase of library resources, textbooks, and other printed and published materials. Litchfield will receive approximately \$300.00 in library materials through this title.

The success of any school program depends almost entirely on the dedication and resolve of the teaching staff. Litchfield is indeed fortunate to be blessed with a highly competent and industrious staff of teachers whose efforts have resulted in a high quality of education. The school district should make every effort to retain this staff and provide them with the initiative to maintain a sound educational program.

In closing I would like to thank the School Board and yourself for your direction and guidance, Mr. Perkins for his cooperation, and finally the citizens of Litchfield for their commitment to excellence in the educational program.

Respectfully submitted,

PETER G. DOLLOFF

Assistant Superintendent

## REPORT OF THE PRINCIPAL

Mr. Claude Leavitt  
Superintendent of Schools  
Litchfield, N. H.

Dear Mr. Leavitt:

Due to the foresight of the School Board and the understanding and cooperation of the citizens of Litchfield in providing sorely needed additional space, the year 1966-67 has been marked by rapid strides forward.

The addition of five classrooms, two of which are being used as one large double room, has allowed us to assemble the entire school for special exercises, both instructional and educational. It has also given us adequate space for the library and remedial reading room.

This large double room has made it possible for the students to enjoy more of the fine arts programs provided by the Manchester Institute of Arts and Sciences, (a Title III project of the Elementary and Secondary Education Act of 1965, serving Metropolitan Manchester and the surrounding area), since we were able to have the programs here instead of being obliged to take the children by bus to other schools in the Union.

As a result of the generosity of the P.T.O. last year in providing a TV set, all grades have participated in at least one of the educational programs available this year.

The remedial reading program is proceeding satisfactorily. We have introduced into the sixth, seventh and eighth grades, supplementary workbooks designed to help the student become more proficient in the reading of the text in various subjects. For instance, a section of the supplementary workbook deals solely with the reading and studying of science. In this section the student is guided in determining the scientific principles that are being discussed; to recognize the scientific problems that are being presented in the text and what to look for in finding the solution to these problems.

We are in the process of converting the old eighth grade room into a library by providing shelving to accomodate the new books we have received through the Elementary and Secondary Education Act of 1965.

With the exception of one teacher, we were exceedingly fortunate in having maintained the same teaching staff as we had last year. This has provided a great deal of stability to our entire instructional program, and is reflected in the overall attitude of the student body. Considerable credit

for enabling us to continue with this same instructional staff is due to the realistic approach by the School Board and the citizens of Litchfield toward the salary requirements of the members of the staff. It is our sincere hope that this situation will continue and that as a result, the level of instruction in the school will reach higher and broader goals in the immediate future.

I would like to take the opportunity to thank the School Board, the Superintendent, the Assistant Superintendent of Schools, the P.T.O. and the entire school staff for their cooperation and assistance.

Respectfully submitted,

CLIFFORD H. PERKINS, JR.,  
Principal.

## SCHOOL BUILDING COMMITTEE REPORT

The committee is happy to report on the construction of our new five room addition to our present school that through the generosity of Mrs. Grace Paul, who donated the land, this project was made possible.

The committee dedicated a lot of time and enthusiasm and with the assistance of the architect, contractor, and members of the school board were able to bring this project to a happy completion.

After much study the committee decided to eliminate a separating wall, at the present time, to allow for a larger room to hold assemblies and social functions. This will also allow us to utilize some of the equipment which we have.

The committee would like to take this opportunity to thank everyone for their cooperation and assistance in the construction of this fine building, especially Soule Associates and Adrian Labrie for a building we can be proud of.

Following are members of this Special School Building Committee:

Harry Hogencamp  
Mary Leone  
Franklin Bean  
Bertha Crowell  
David Campbell  
Eugene Pelkey  
William McAneney
